17 November 2010

Dear Mr Whitmell

Remembrance Sunday

I am writing to thank you for your assistance in making the Service of Remembrance on 14 November a very special event. I know your band did not have the opportunity to march on this occasion but your short display outside AirSpace and of course the buglers added to the day and were appreciated by everyone. I therefore would be grateful if could pass on my thanks to all members.

Yours sincerely

Richard Ashton
