2008 Annual Residential

Dear Parents and Members,

We're already at that time of year!... We are planning the SYG Annual Summer Residential for 2008 *now*, and need to know if you would like a place.

We have selected a site for the residential – Symonds Yat, in the Forest of Dean on the Welsh border. Some of our older members may remember that we ran a very successful camp at this site in 2004, so we're really looking forward to returning to this venue which is set in beautiful countryside near the Black Mountains and Brecon Beacons.

There is indoor accommodation in bunk beds in Holly Barn for Juniors, and white canvas camping accommodation for Seniors and Amicus members. On-site activities include: indoor climbing wall, high ropes course, horse riding, archery, kayaking, abseiling, rock climbing, caving and more.

The dates will be Friday 25th July to Tuesday 29th July 2008, and the cost will be £110 per person. This is a slight increase on last year's cost, due to the longer coach journey and the venue charges. As always, we don't want any of our members to miss out on activities due to costs, so if you require any financial assistance please don't hesitate to contact me directly.

A considerable amount of work has already been done towards this residential, but before going any further we need to know who would like to attend. At this stage, we need a £30 deposit to secure a place, ideally by the 17th December. The remainder will be required in two staged payments of £40 each, the first in March and the second at the end of May.

Please complete the tear off slip and return to me as soon as possible to secure your place.

Tracy Downing (SYG Chairman)
