Sawston Youth Group 2012 Annual Residential To Viney Hill Christian Adventure Centre

Dear Parents/guardians and members,

We're already at that time of year!... We have started planning the SYG Annual Summer Residential for 2012, and need to know if you would like a place.

We have selected a new site for the year's residential – Viney Hill Christian Adventure Centre, this is an activity centre based in Gloucestershire near the River Seven with the nearby town of Chepstow. Please visit the website to take a look: www.vineyhilladventure.org/

This year we have chosen a site that can accommodate the younger members (juniors) inside the old vicarage and have a camping field fully equip with the own centres tents and wooden camping sheds for the older members (seniors and amicus) and of course the leaders.

The centre has everything you can possible ask for, some of the activities they offer include: mountain biking, archery, bridge building, bush craft, crate stack, low ropes, canoeing and kayaking, raft building, abseiling, caving, climbing wall on site, mountain days across the border into Wales, rock climbing.

The site has many buildings to provide indoor activity space and cover if the weather becomes bad. There are 2 Kitchens one in the vicarage and one in the camping centre which also would offer a large dining area. The centre offers a wide range of activities and programs along with resources for the catering team.

The dates for this year's camp will be Friday 20th July to Wednesday 25th July 2012 confirmed times of departure and return will come later once numbers have been gathered. We will be transporting via coach, and using the centres minibuses once on site.

The cost will be **£130 per person** and this includes all cost and no other money will be needed, unless you want some spending money but opportunities are limited for spending this. You may notice that we have increased the costs by £5 this year, every year the camp costs over £250 per person and the group always endeavours to fund raise the difference. This requires a lot of hard work and endless grant applications to meet to amount needed to keep the costs as low as possible for our members.

As always, we don't want any of our members to miss out on this opportunity due to costs, so if you require any financial assistance please don't hesitate to contact me directly.

A considerable amount of work has already been done towards this residential, but before going any further we need to know who would like to attend. At this stage, we need a £30 deposit to secure a place, ideally by the Monday 6th February 2012. The remainder will be required in two staged payments of £50 each, the first early April and the second at the early June.

Please complete the tear off slip and return to me as soon as possible to secure your place.

If you require any more information on this annual residential please don't hesitate to contact me. Also please use the youth group's website for basic information about camp and links to the centres website.

Yours Sincerely

Mark Crouch
